

REVISED JUDICATURE ACT OF 1961 (EXCERPT)
Act 236 of 1961

600.6304 Personal injury action involving fault of more than 1 party to action; instructing jury to answer special interrogatories; findings of court; determining percentages of fault; determining award of damages; release from liability; amount of damages; reducing award of damages; reallocation of uncollectible amount; liability of governmental agency; “fault” defined.

Sec. 6304. (1) In an action based on tort or another legal theory seeking damages for personal injury, property damage, or wrongful death involving fault of more than 1 person, including third-party defendants and nonparties, the court, unless otherwise agreed by all parties to the action, shall instruct the jury to answer special interrogatories or, if there is no jury, shall make findings indicating both of the following:

(a) The total amount of each plaintiff’s damages.

(b) The percentage of the total fault of all persons that contributed to the death or injury, including each plaintiff and each person released from liability under section 2925d, regardless of whether the person was or could have been named as a party to the action.

(2) In determining the percentages of fault under subsection (1)(b), the trier of fact shall consider both the nature of the conduct of each person at fault and the extent of the causal relation between the conduct and the damages claimed.

(3) The court shall determine the award of damages to each plaintiff in accordance with the findings under subsection (1), subject to any reduction under subsection (5) or section 2955a or 6303, and shall enter judgment against each party, including a third-party defendant, except that judgment shall not be entered against a person who has been released from liability as provided in section 2925d.

(4) Liability in an action to which this section applies is several only and not joint. Except as otherwise provided in subsection (6), a person shall not be required to pay damages in an amount greater than his or her percentage of fault as found under subsection (1). This subsection and section 2956 do not apply to a defendant that is jointly and severally liable under section 6312.

(5) In an action alleging medical malpractice, the court shall reduce an award of damages in excess of 1 of the limitations set forth in section 1483 to the amount of the appropriate limitation set forth in section 1483. The jury shall not be advised by the court or by counsel for either party of the limitations set forth in section 1483 or any other provision of section 1483.

(6) If an action includes a medical malpractice claim against a person or entity described in section 5838a(1), 1 of the following applies:

(a) If the plaintiff is determined to be without fault under subsections (1) and (2), the liability of each defendant is joint and several, whether or not the defendant is a person or entity described in section 5838a(1).

(b) If the plaintiff is determined to have fault under subsections (1) and (2), upon motion made not later than 6 months after a final judgment is entered, the court shall determine whether all or part of a party’s share of the obligation is uncollectible from that party, and shall reallocate any uncollectible amount among the other parties, whether or not another party is a person or entity described in section 5838a(1), according to their respective percentages of fault as determined under subsection (1). A party is not required to pay a percentage of any uncollectible amount that exceeds that party’s percentage of fault as determined under subsection (1). The party whose liability is reallocated continues to be subject to contribution and to any continuing liability to the plaintiff on the judgment.

(7) Notwithstanding subsection (6), a governmental agency, other than a governmental hospital or medical care facility, is not required to pay a percentage of any uncollectible amount that exceeds the governmental agency’s percentage of fault as determined under subsection (1).

(8) As used in this section, “fault” includes an act, an omission, conduct, including intentional conduct, a breach of warranty, or a breach of a legal duty, or any conduct that could give rise to the imposition of strict liability, that is a proximate cause of damage sustained by a party.
